## **Selection Committee for the post of Vice-Chancellor, Rajasthan University of Health Sciences, Jaipur**

---

### **Profile**

The nominee must be of impeccable integrity, demonstrated academic creativity, with track record of superb administrative capacity and total dedication to work. Imbued with these qualities, he/she should be able to provide academic and administrative leadership to the University

Although no rigid description of values can be made by which a nominee may be assessed, it is expected that the nominee would have distinguished himself/herself in one or more of the following areas:

1. *High quality of scientific and academic achievements;*
2. *Professional eminence;*
3. *Notable contributions pertaining to the work of national importance and relevance furthering the cause of one or more branches of life sciences, and/or patient care, health delivery to the community, public health, medical education and health administration.*
